PRESS RELEASE

Diane Garcia retired from Agora Benefits Solutions

San Antonio, 12/8/16 –Agora Benefits Solutions announced that Diane Garcia, Chief Executive Officer, has retired. After 30 years working devotedly at Agora Benefits Solutions, Ms. Garcia, a resident of San Antonio, Texas retired on November 1, 2016.

Ms. Garcia founded the company in 1986. During her time at Agora Benefits Solutions, she was responsible for strategic planning, public relations, and overseeing the overall operation and resources for ABS.

“I have been grateful to lead a great company”, Garcia said. “I believe the time is right for me to retire. ABS is operationally very sound and positioned for continued success. Our current leadership has laid out a vision for the company that will guide ABS for many years to come and that has provided me with great confidence about their future success. I am also excited about my future, dedicating my time in ministry for our inner-city youth and to spend time with my seven grandchildren.”

The company’s leadership will be succeeded by Stephen Brooks as President and Co-Owner and Stephanie Olguin as Chief Executive Officer and Co-Owner. Brooks has served as VP of Business Development for 5 years and Ms. Olguin has served as Chief Operation Officer for 3 years.

Agora Benefits Solutions has 30 years of servicing Texas families providing benefit solutions for both the private and public sectors. We are committed to continue our dedication to our clients we serve, whether it be in the form of retirement or providing benefits solutions, concierge service is what we are known for.
